ALL-INCLUSIVE WEDDING SERVICES

Field of Flowers, a historic home turned enchanting wedding venue, graces a 27-acre farm with fields of sunflowers, zinnias, and more, located in New Waverly, TX. Originally built in 1887, this farmhouse underwent substantial renovations in 2001, seamlessly blending old-world charm with modern amenities. Owners Jana and Brian warmly welcome guests to host rehearsal dinners, engagement parties, and special events, offering a picturesque backdrop of fields, ponds, and more for memorable celebrations on their flower-filled farm.

Our home is filled with family antiques and eleven crystal chandeliers, lending beauty, elegance, and a little spice to the atmosphere. A rustic wood-burning stove warms winter gatherings in the parlor, while a Victorian-era fan gracefully swirls for summer affairs. The sprawling 100-ft. wrap-around porch boasts ceiling fans for sunny days and outdoor heaters, custom enclosures, and enchanting lighting for winter nights. Our venue, a labor of love, extends a welcoming embrace accessible to all.

We don't just host events; we create unforgettable experiences that stand apart from the rest.

- We do the setup and breakdown so you can enjoy your special day or event.
- Customize your music playlists to play through Spotify and our surround-sound system throughout the venue.
- We announce the Wedding Couple as they enter the reception to kick off the reception and meal.
- Our dance floor awaits the First Dances with custom song selections.
- Custom table settings with Venue china, flatware, and crystal glassware complemented with coordinating table runners and centerpieces*. (*Centerpieces per package.)
- Cool carafes of water on every table.
- 5-Star service in hand-served meals by Owners and Staff (not included in Special Events & Private party packages).
- The Owner personally cuts and serves the Wedding Cake.
- We box up all leftover food and cake after the reception for you to take home.

Outdoor entertainment in the form of cornhole games is available upon request at all weddings and events. The Firepit can be lit if planned ahead and weather permits - great for S'mores and gathering around on cool evenings! Bring your gear and fish our 2-acre pond stocked with bass. (An adult must accompany children at all times.)
